

got fluoro?

Did you know fluoro waxes contain Per- and Polyfluoroalkyl Substances (PFAS) to help them reduce friction and make skis glide fast? Many of these chemicals are being phased out and banned from products due to the negative environmental and human health impacts and should be managed properly.

Want to get rid of your fluoro wax? WLSSD can help!

Minnesota and City of Superior residents, drop off fluoro wax year-round at Household Hazardous Waste, 2626 Courtland Street, Duluth, MN

Thursday - Saturday 8:00 a.m. - 4:30 p.m.
